Healing Ministry -The first opportunity for prayer for healing will be during the 9am Service today, the Feast of Pentecost. The pattern will be that there will be people in pairs willing to spend a few moments praying with you as you return from Communion. All prayer ministers will be trained and will have undergone basic Safeguarding.

Pentecost, - After Church today on the Feast of Pentecost there will be a picnic here at St. Matthews. If it rains we will be inside. Please plan to stay and bring something to share. The theme is international and regional food to celebrate the diversity of people who could understand Peter at Pentecost. No pressure though, just bring a favourite something. Please bring the sort of food which can be eaten with fingers, no cutlery needed. There is no sign up for this, just show up. You only need to bring one thing, otherwise we run out of space on the table. If you would like to help with the kitchen, please contact Jo Boaler. There will be games and activities for children. Caroline

Stillness Workshop 10am-noon on Saturday June 14th.. This will be a chance to look at some traditions of quieter prayer and to learn a little bit about silent prayer and breathing for prayer.

Please feel free to come and go as you please! We ask you to do two things - the first is to bring along a few of your favourite games (eg) card games, board games, puzzles, jigsaws. The second is to sign up on the sheet at the back of church so we know what pizza you would like us to order for you. The cornerHOUSE bar will be open so a variety of drinks will be available. There is no charge - instead, donations to the 150th Anniversary Fund are welcomed. These evenings are always great fun - so come along and enjoy!

English Heritage and The Community Brain are delighted to invite you to the unveiling of a Blue Plaque dedicated to Tolworth resident ‘**Mr Middleton**’ by well known gardener and broadcaster Alan Titchmarsh on the morning of **Monday 23rd June at 10.45** at his home – **17 Princes Avenue, KT6 7JJ**. There will be a few short speeches followed by the unveiling and then a reception nearby to mark the occasion. Cecil Henry Middleton, known to the nation as simply ‘Mr Middleton’ was a much-loved figure who lived in the Borough from 1929 until he died in 1945. He was hired by the BBC with his first broadcast on 9 May 1931 and went on to become the voice of the highly successful Dig for Victory Campaign in the Second World War. He wrote numerous gardening books, including Your Garden in Wartime, and Digging for Victory. He even appeared on a 1943 episode of Desert Island Discs. Considering his celebrity, Middleton’s broadcasts naturally became a key aspect of the wartime Dig for Victory campaign, despite his tendency to veer away from the scripts that had been carefully prepared for him.

On 18 September 1945 at the age of 59, Middleton suffered an unexpected and fatal heart attack outside his home. His funeral, held in Surbiton at St Matthew’s Church, was made into a film by British Pathe entitled The Passing of an Old Friend and show the status of the man <https://cutt.ly/NrcccECB>
